

## March Update on Ten Commandments Hike

1. Route: We've had to make some adjustments to the route. The hike will begin at the Ivy Tech Lawrence campus at 9301 E 59th St.
2. Registration: Begins at 8:00 am. The first group of about a hundred will leave at 8:25. There may be 2-3 groups.
3. Closing: The first group will be finished about 2:10 p.m., and can then hike back to their cars [back to the Ivy Tech parking lot, which will be close to the end of the hike.
4. Lunch: Bring a sack lunch and fluids. We will observe "Leave No Trace" so you will need to keep your trash with you.
5. Weather: The hike will proceed rain or shine. Be Prepared.
6. The route is mostly handicap accessible, but there are a few problems at some locations. Sorry.
7. When the map is ready we plan to post it, along with some historical notes about the buildings of the old Ft. Harrison.
8. Keep moving: The timing of this hike is very complicated. Each group will need to keep moving between locations. When you arrive at a site you need to move in quickly, settle down, and be prepared to move out. Leaders are responsible for their own Scouts. Without your help the schedule will get backed up and we will have a genuine mess. Each group will have a guide who will lead you along the route. Follow their instructions.
9. Uniforms: Field Uniform (Class A) or Scout Activity shirt (Class B) is expected.
10. Sites: Be respectful of all the buildings you will enter. All hikers need to remain quiet during the short presentations. There will be volunteers at each location providing directions for traffic flow. Please be quiet as you enter the buildings, since the group ahead of you may not be finished.
