

SWIM TEST AT PIKE HIGH SCHOOL – MONDAY, APRIL 17, 2017

MSD of Pike Township Aquatics Center
5401 West 71st Street, Indianapolis, IN 46268

Time: 7:30 to 8:30 p.m.

Find your way to the main high school entrance. The Aquatic Center is just to the left of the main entrance.

Enter the Aquatic Center through door 11B. After entering, adults and Scouts should enter the pool deck to the left and find their Troop's designated adult organizer. Anyone not taking the test should go through the doors to the right and up the stairs to the spectator stands.

Each Troop is responsible for administering their own swim test. There will be two Red Cross certified lifeguards provided by the Aquatic Center to sign your forms once the tests are completed.

Each Troop's designated adult should arrive no later than 7:15 and check in with Brian Crow. Adults and Scouts taking the swim test should arrive ready to test with their swim suits already on. A locker room will have limited availability for changing if necessary.

Attending Troops will split the \$120 cost for the use of the Aquatic Center. That amount will be determined in the near future. Please bring cash to cover your Troop's portion of the cost.

If you have any questions, please contact Mr. Crow at ScouterBrianCrow@gmail.com.
